Biliteracy Instruction in Diverse Educational Settings 2024 SCIRA Summer Renewal Conference

This full day will focus on empowering teachers in all educational settings to leverage students' full linguistic repertoires. Via the lesson planning process, educators will unpack the importance of language learning targets, translanguaging research, and cross-linguistic work as we serve diverse student communities.

In-Person

Thursday, June 13th

8:30 am to 3:00 pm
